

ESTHIEN LABS

Legal Foundation Pack

30 root templates for founders, employees, investors, governance, and company operations.

Company	Esthien Labs / Esthien Pvt Ltd [confirm exact legal name and CIN]
Classification	Confidential - Draft templates for review
Use	Internal drafting, legal review, HR setup, board review, investor preparation
Date	Prepared on 29 June 2026
Owner	Founder / Company Secretary / Legal Counsel

Draft template only. This document is not legal advice, is not a statutory filing, and should be reviewed by an India-qualified advocate/company secretary/tax advisor before signature, issuance, board approval, or filing.

This pack assumes an India-based private limited company. Replace every bracketed placeholder, confirm applicable state labour rules, tax treatment, sector-specific permissions, foreign investment conditions, and board/shareholder approval routes before use.

Legal Basis and Review Notes

These templates were structured around common India private limited company workflows. The pack references public legal materials for orientation only; counsel must confirm current applicability before execution.

01. Incorporation and Statutory Setup Checklist

Category	Corporate Governance
Purpose	Create the first operating record after incorporation and prevent missing statutory basics.
Status	Draft template - legal review required before use

Template

Company legal name: [Esthien Pvt Ltd]. CIN: [insert]. Registered office: [insert].

Prepare and maintain statutory registers, certificate of incorporation, PAN/TAN/GST records if applicable, common seal policy if adopted, digital signature records, board file, shareholder file, contracts file, employment file, and IP assignment file.

Confirm first board meeting date and first set of board resolutions. Maintain signed attendance, notice, agenda, minutes, and resolutions in one indexed folder.

Approval and Records

Owner: Founder / Company Secretary.

Review cadence: monthly until all incorporation actions are closed, then quarterly.

Evidence to store: filed forms, challans, board minutes, registers, bank KYC, tax registration confirmations, domain and email ownership evidence.

Execution Block

Approved by	[Board / shareholders / authorized signatory / employee / counterparty]
Signature	[name, designation, date, place]
Record owner	[Founder / HR / Company Secretary / Legal / Finance]
Review note	Draft template only. This document is not legal advice, is not a statutory filing, and should be reviewed by an India-qualified advocate/company secretary/tax advisor before signature, issuance, board approval, or filing.

02. Consent to Act as Director and Disclosure Pack

Category	Corporate Governance
Purpose	Capture director consent, identity, interests, and ongoing disclosure obligations.
Status	Draft template - legal review required before use

Template

I, [director name], having DIN/PAN/passport [insert], consent to act as Director of [company]. I confirm that I am not disqualified from appointment and will disclose interests, changes in particulars, and conflicts as required.

I agree to act in good faith, exercise reasonable care, maintain confidentiality, and preserve company records received in my capacity as director.

Attachments: identity proof, address proof, DIN details, consent form, disclosure of interest, list of other directorships/shareholdings, and contact details for board notices.

Signature

Signed by: [director]. Date: [insert]. Place: [insert]. Witness: [insert if required].

Execution Block

Approved by	[Board / shareholders / authorized signatory / employee / counterparty]
Signature	[name, designation, date, place]
Record owner	[Founder / HR / Company Secretary / Legal / Finance]
Review note	Draft template only. This document is not legal advice, is not a statutory filing, and should be reviewed by an India-qualified advocate/company secretary/tax advisor before signature, issuance, board approval, or filing.

03. First Board Meeting Notice and Agenda

Category	Corporate Governance
Purpose	Provide a reusable first board meeting notice and agenda.
Status	Draft template - legal review required before use

Notice

Notice is hereby given that the first meeting of the Board of Directors of [company] will be held on [date] at [time] at [venue/video link], to transact the agenda below.

Agenda: take note of incorporation, appoint chairperson, approve registered office records, take note of subscribers and share capital, approve bank account opening, adopt statutory registers, authorize filings, approve brand/domain/email assets, appoint advisors, and approve initial policies.

Dispatch Record

Notice sent to: [director list]. Mode: [email/courier/hand delivery]. Date and time: [insert]. Proof retained: [insert].

Execution Block

Approved by	[Board / shareholders / authorized signatory / employee / counterparty]
Signature	[name, designation, date, place]
Record owner	[Founder / HR / Company Secretary / Legal / Finance]
Review note	Draft template only. This document is not legal advice, is not a statutory filing, and should be reviewed by an India-qualified advocate/company secretary/tax advisor before signature, issuance, board approval, or filing.

04. First Board Meeting Minutes and Resolutions

Category	Corporate Governance
Purpose	Record foundational board approvals in a defensible minutes format.
Status	Draft template - legal review required before use

Minutes Template

Meeting of the Board of Directors of [company] held on [date] at [time]. Directors present: [insert]. Invitees: [insert]. Chair: [insert].

The Board took note of incorporation, certificate of incorporation, registered office, subscribers, initial shareholding, statutory records, and commencement actions.

Resolved that [authorized person] is authorized to open and operate bank accounts, execute KYC, appoint tax/accounting/legal vendors, maintain statutory registers, approve company letterhead and brand assets, and perform all incidental acts.

Close

There being no further business, the meeting concluded at [time] with a vote of thanks to the Chair.

Execution Block

Approved by	[Board / shareholders / authorized signatory / employee / counterparty]
Signature	[name, designation, date, place]
Record owner	[Founder / HR / Company Secretary / Legal / Finance]
Review note	Draft template only. This document is not legal advice, is not a statutory filing, and should be reviewed by an India-qualified advocate/company secretary/tax advisor before signature, issuance, board approval, or filing.

05. Shareholder Written Consent / EGM Notice and Minutes

Category	Corporate Governance
Purpose	Provide shareholder approval formats for matters requiring member consent.
Status	Draft template - legal review required before use

Template

The members of [company] approve the following resolution as [ordinary/special] resolution: [full resolution text].

Background and explanatory note: [describe purpose, legal basis, valuation/tax consideration, effect on rights, filings required, and interested parties].

Voting record: members present or consenting, shareholding, votes for/against/abstain, and authorization for filings.

Records

Maintain notice, explanatory statement, attendance/proxy if applicable, signed minutes, shareholder consent, filings, and updated registers.

Execution Block

Approved by	[Board / shareholders / authorized signatory / employee / counterparty]
Signature	[name, designation, date, place]
Record owner	[Founder / HR / Company Secretary / Legal / Finance]
Review note	Draft template only. This document is not legal advice, is not a statutory filing, and should be reviewed by an India-qualified advocate/company secretary/tax advisor before signature, issuance, board approval, or filing.

06. Statutory Register and Records Index

Category	Corporate Governance
Purpose	Create a practical index for registers, minute books, and approvals.
Status	Draft template - legal review required before use

Index

Register of members; register of directors and key managerial personnel; register of charges; register of contracts and arrangements in which directors are interested; share certificates; minutes of board meetings; minutes of general meetings; filings and challans; contracts and IP assignments.

Each register should record version owner, storage location, backup method, last review date, and access control.

Control

Do not alter executed records without a dated correction note and approval route. Preserve scan and original separately.

Execution Block

Approved by	[Board / shareholders / authorized signatory / employee / counterparty]
Signature	[name, designation, date, place]
Record owner	[Founder / HR / Company Secretary / Legal / Finance]
Review note	Draft template only. This document is not legal advice, is not a statutory filing, and should be reviewed by an India-qualified advocate/company secretary/tax advisor before signature, issuance, board approval, or filing.

07. Board Resolution for Bank Account and Finance Authority

Category	Corporate Governance
Purpose	Authorize bank account opening, signatories, and transaction controls.
Status	Draft template - legal review required before use

Resolution

Resolved that a current account be opened with [bank] in the name of [company], and that [names/designations] are authorized signatories.

Transaction authority: up to INR [amount] by [single/joint] authorization; above INR [amount] requires board/founder approval. Online banking, cards, UPI, and payment gateways are authorized subject to internal controls.

Controls

Monthly bank reconciliation, expense documentation, maker-checker access, vendor onboarding approval, and no personal expenses without written reimbursement policy.

Execution Block

Approved by	[Board / shareholders / authorized signatory / employee / counterparty]
Signature	[name, designation, date, place]
Record owner	[Founder / HR / Company Secretary / Legal / Finance]
Review note	Draft template only. This document is not legal advice, is not a statutory filing, and should be reviewed by an India-qualified advocate/company secretary/tax advisor before signature, issuance, board approval, or filing.

08. Board Resolution for Brand, Domain, Letterhead, and Public Profiles

Category	Corporate Governance
Purpose	Approve official identity assets and public communication channels.
Status	Draft template - legal review required before use

Resolution

Resolved that the company adopt the Esthien Labs brand system, domain [www.esthien.com], official email addresses, logo assets, public social profiles, and letterhead templates as official communication assets.

Authorized persons may maintain DNS, hosting, email, website, LinkedIn, Instagram, and related profiles, subject to brand, privacy, and security controls.

Records

Store registrar ownership, admin access list, 2FA status, logo files, brand kit, and public profile URLs in the corporate records folder.

Execution Block

Approved by	[Board / shareholders / authorized signatory / employee / counterparty]
Signature	[name, designation, date, place]
Record owner	[Founder / HR / Company Secretary / Legal / Finance]
Review note	Draft template only. This document is not legal advice, is not a statutory filing, and should be reviewed by an India-qualified advocate/company secretary/tax advisor before signature, issuance, board approval, or filing.

09. Founder Agreement

Category	Founder Documents
Purpose	Set founder roles, equity expectations, governance, and departure handling.
Status	Draft template - legal review required before use

Core Terms

Parties: [founder names] and [company]. Effective date: [insert]. Purpose: build Esthien Labs as a deep-tech company focused on FPGA chipsets, physical intelligence, medical assistive systems, and automotive sensing.

Roles: each founder will perform duties assigned by the Board and will act in the best interests of the company.

Equity: initial shareholding, vesting/reverse vesting, cliff, acceleration, repurchase rights, transfer restrictions, and treatment of bad leaver/good leaver events must be finalized with counsel.

IP: all work product, inventions, designs, source code, technical documents, brand assets, domain assets, and business materials created for the company belong to the company.

Disputes: escalation to board discussion, mediation, and jurisdiction/venue [insert].

Signatures

Founder 1: [insert]. Founder 2: [insert]. Company: [authorized signatory].

Execution Block

Approved by	[Board / shareholders / authorized signatory / employee / counterparty]
Signature	[name, designation, date, place]
Record owner	[Founder / HR / Company Secretary / Legal / Finance]
Review note	Draft template only. This document is not legal advice, is not a statutory filing, and should be reviewed by an India-qualified advocate/company secretary/tax advisor before signature, issuance, board approval, or filing.

10. Founder Intellectual Property Assignment

Category	Founder Documents
Purpose	Assign pre-incorporation and ongoing founder-created IP to the company.
Status	Draft template - legal review required before use

Assignment

Assignor irrevocably assigns to [company] all rights, title, and interest in company-related inventions, designs, software, documentation, schematics, chip architecture concepts, brand assets, domain assets, trade secrets, research notes, and business materials created before or after incorporation for company purposes.

Assignor will execute further documents and assist with filings, registrations, patent applications, copyright records, and enforcement.

Excluded IP must be listed in Schedule A. Any unlisted company-related material is presumed assigned to the company.

Moral Rights and Confidentiality

To the extent permitted by law, assignor waives or agrees not to assert moral rights against company use and will keep all non-public information confidential.

Execution Block

Approved by	[Board / shareholders / authorized signatory / employee / counterparty]
Signature	[name, designation, date, place]
Record owner	[Founder / HR / Company Secretary / Legal / Finance]
Review note	Draft template only. This document is not legal advice, is not a statutory filing, and should be reviewed by an India-qualified advocate/company secretary/tax advisor before signature, issuance, board approval, or filing.

11. Founder Confidentiality and Non-Disclosure Agreement

Category	Founder Documents
Purpose	Protect sensitive founder-stage information.
Status	Draft template - legal review required before use

Confidential Information

Includes technical architectures, FPGA designs, chipset roadmaps, medical/automotive concepts, vendor terms, investor materials, customer discussions, financial models, source code, business plans, and internal communications.

Recipient may use confidential information only for company purposes and must protect it using reasonable safeguards.

Exceptions and Term

Exceptions: information already public through no breach, independently developed without use of confidential information, or lawfully received from a third party.

Confidentiality continues until information becomes public through no breach, with trade secrets protected as long as they remain trade secrets.

Execution Block

Approved by	[Board / shareholders / authorized signatory / employee / counterparty]
Signature	[name, designation, date, place]
Record owner	[Founder / HR / Company Secretary / Legal / Finance]
Review note	Draft template only. This document is not legal advice, is not a statutory filing, and should be reviewed by an India-qualified advocate/company secretary/tax advisor before signature, issuance, board approval, or filing.

12. Founder Service / Employment Agreement

Category	Founder Documents
Purpose	Set founder duties, compensation, confidentiality, IP, and termination basics.
Status	Draft template - legal review required before use

Terms

Position: [Founder/CEO/CTO]. Reporting: Board of Directors. Start date: [insert]. Compensation: INR [insert] per month or deferred until board approval.

Duties include strategy, hiring, product, technology, fundraising, partnerships, compliance, and any duties assigned by the Board.

Founder will comply with company policies, protect confidential information, assign company IP, avoid conflicts, and return company property on termination.

Termination

Termination, notice, garden leave, severance, equity treatment, and access removal should align with the founder agreement and board approvals.

Execution Block

Approved by	[Board / shareholders / authorized signatory / employee / counterparty]
Signature	[name, designation, date, place]
Record owner	[Founder / HR / Company Secretary / Legal / Finance]
Review note	Draft template only. This document is not legal advice, is not a statutory filing, and should be reviewed by an India-qualified advocate/company secretary/tax advisor before signature, issuance, board approval, or filing.

13. Founder Vesting and Reverse Vesting Term Sheet

Category	Founder Documents
Purpose	Capture founder equity vesting principles before definitive agreements.
Status	Draft template - legal review required before use

Term Sheet

Vesting schedule: [four years with one-year cliff / custom]. Commencement: [date]. Reverse vesting applies to founder shares subject to company repurchase on departure.

Good leaver: [death, disability, termination without cause, board-approved reason]. Bad leaver: [fraud, misconduct, IP breach, confidentiality breach, competing business, resignation before cliff].

Acceleration: [none/single-trigger/double-trigger] to be approved by shareholders/investors if applicable.

Implementation

Definitive documents may include shareholders agreement, employment/service agreement, share transfer restrictions, Articles amendments, and board/shareholder approvals.

Execution Block

Approved by	[Board / shareholders / authorized signatory / employee / counterparty]
Signature	[name, designation, date, place]
Record owner	[Founder / HR / Company Secretary / Legal / Finance]
Review note	Draft template only. This document is not legal advice, is not a statutory filing, and should be reviewed by an India-qualified advocate/company secretary/tax advisor before signature, issuance, board approval, or filing.

14. Conflict of Interest and Related Party Disclosure

Category	Founder Documents
Purpose	Capture founder/director conflicts and related party transactions.
Status	Draft template - legal review required before use

Disclosure

Discloser: [name]. Role: [director/founder/employee]. I disclose the following direct or indirect interests, affiliations, investments, contracts, family relationships, or competing activities that may affect company decisions: [insert].

I will update this disclosure promptly when circumstances change and will abstain from decisions where required.

Board Action

Board review outcome: [approved/approved with conditions/not approved]. Conditions: [insert].

Execution Block

Approved by	[Board / shareholders / authorized signatory / employee / counterparty]
Signature	[name, designation, date, place]
Record owner	[Founder / HR / Company Secretary / Legal / Finance]
Review note	Draft template only. This document is not legal advice, is not a statutory filing, and should be reviewed by an India-qualified advocate/company secretary/tax advisor before signature, issuance, board approval, or filing.

15. Investor Confidentiality Agreement

Category	Investor Documents
Purpose	Protect company information shared during fundraising or diligence.
Status	Draft template - legal review required before use

Terms

Recipient will use confidential information solely to evaluate a potential investment, strategic partnership, or financing transaction with [company].

Recipient may share information only with representatives who need to know and are bound by confidentiality duties.

No license is granted to patents, designs, source code, trade secrets, brand assets, data, or other IP.

Return and Remedies

On request, recipient will return or destroy confidential materials except archival/legal retention copies. Company may seek injunctive relief for breach.

Execution Block

Approved by	[Board / shareholders / authorized signatory / employee / counterparty]
Signature	[name, designation, date, place]
Record owner	[Founder / HR / Company Secretary / Legal / Finance]
Review note	Draft template only. This document is not legal advice, is not a statutory filing, and should be reviewed by an India-qualified advocate/company secretary/tax advisor before signature, issuance, board approval, or filing.

16. Seed Investment Term Sheet

Category	Investor Documents
Purpose	Summarize key commercial terms before definitive investment documents.
Status	Draft template - legal review required before use

Indicative Terms

Issuer: [company]. Investor: [name]. Instrument: [equity/CCPS/CCD/SAFE-like contractual instrument subject to Indian law review]. Investment amount: INR [insert]. Valuation/cap: [insert].

Use of proceeds: product development, FPGA prototypes, team hiring, IP filings, compliance, pilots, and working capital.

Rights: information rights, reserved matters, pro-rata rights, board observer/director rights, transfer restrictions, anti-dilution, liquidation preference, founder vesting, ESOP pool, and warranties.

Status

Non-binding except confidentiality, exclusivity, costs, governing law, and dispute resolution if stated as binding.

Execution Block

Approved by	[Board / shareholders / authorized signatory / employee / counterparty]
Signature	[name, designation, date, place]
Record owner	[Founder / HR / Company Secretary / Legal / Finance]
Review note	Draft template only. This document is not legal advice, is not a statutory filing, and should be reviewed by an India-qualified advocate/company secretary/tax advisor before signature, issuance, board approval, or filing.

17. Share Subscription Agreement - Key Template

Category	Investor Documents
Purpose	Provide a working skeleton for subscription of shares/securities.
Status	Draft template - legal review required before use

Core Clauses

Investor subscribes for [number/class] securities at INR [price] per security, subject to conditions precedent, board/shareholder approvals, valuation report if applicable, filings, and receipt of funds.

Company warranties: incorporation, authority, capitalization, IP ownership, no undisclosed debt, compliance, tax filings, litigation, employment, data protection, and contracts.

Investor warranties: authority, funds, compliance with applicable laws, KYC, beneficial ownership, and investment intent.

Completion

At closing: funds received, securities allotted, share certificates/records issued, registers updated, filings completed, and closing deliverables exchanged.

Execution Block

Approved by	[Board / shareholders / authorized signatory / employee / counterparty]
Signature	[name, designation, date, place]
Record owner	[Founder / HR / Company Secretary / Legal / Finance]
Review note	Draft template only. This document is not legal advice, is not a statutory filing, and should be reviewed by an India-qualified advocate/company secretary/tax advisor before signature, issuance, board approval, or filing.

18. Shareholders Agreement - Key Template

Category	Investor Documents
Purpose	Set governance and economic rights between founders, investors, and company.
Status	Draft template - legal review required before use

Governance

Board composition, quorum, reserved matters, information rights, budgets, audit, related party transactions, founder commitments, and compliance obligations.

Transfer restrictions: right of first refusal, right of first offer, tag-along, drag-along, permitted transfers, lock-in, and prohibited transfers.

Economic rights: liquidation preference, anti-dilution, conversion, dividends, exit rights, pre-emptive rights, and ESOP pool management.

Company Protection

Founder IP assignment, confidentiality, non-solicit, conflict restrictions, data/security duties, and return of property.

Execution Block

Approved by	[Board / shareholders / authorized signatory / employee / counterparty]
Signature	[name, designation, date, place]
Record owner	[Founder / HR / Company Secretary / Legal / Finance]
Review note	Draft template only. This document is not legal advice, is not a statutory filing, and should be reviewed by an India-qualified advocate/company secretary/tax advisor before signature, issuance, board approval, or filing.

19. Convertible Preference Share / Convertible Instrument Term Sheet

Category	Investor Documents
Purpose	Outline a possible India-reviewed convertible financing structure.
Status	Draft template - legal review required before use

Terms

Instrument: [CCPS/CCD/other counsel-approved instrument]. Principal/subscription amount: INR [insert].

Conversion trigger: qualified financing, long-stop date, acquisition, IPO, or voluntary conversion.

Conversion price: [valuation cap/discount/fixed price] subject to applicable law, valuation, pricing guidelines, tax, foreign investment rules, and Articles authorization.

Investor protections: information rights, reserved matters, transfer rights, liquidation preference, anti-dilution, and dispute resolution.

Compliance

Do not issue until counsel confirms Companies Act, FEMA/FDI, tax, valuation, stamp duty, and filing requirements.

Execution Block

Approved by	[Board / shareholders / authorized signatory / employee / counterparty]
Signature	[name, designation, date, place]
Record owner	[Founder / HR / Company Secretary / Legal / Finance]
Review note	Draft template only. This document is not legal advice, is not a statutory filing, and should be reviewed by an India-qualified advocate/company secretary/tax advisor before signature, issuance, board approval, or filing.

20. ESOP Scheme and Grant Letter

Category	Investor / Employee Equity
Purpose	Create an employee stock option framework and grant template.
Status	Draft template - legal review required before use

Scheme Terms

Pool size: [percentage/number]. Eligibility: employees/directors/consultants as permitted by law and scheme terms. Vesting: [schedule], with minimum vesting and approval requirements confirmed by counsel.

Exercise price, exercise period, lapse, resignation, termination, death/disability, transfer restrictions, tax withholding, administration, disclosures, and register maintenance must be specified.

Grant Letter

Grantee: [name]. Options: [number]. Grant date: [date]. Vesting commencement: [date]. Exercise price: INR [insert]. Acceptance deadline: [date].

This grant is subject to the ESOP scheme, board/shareholder approvals, applicable law, and continued service.

Execution Block

Approved by	[Board / shareholders / authorized signatory / employee / counterparty]
Signature	[name, designation, date, place]
Record owner	[Founder / HR / Company Secretary / Legal / Finance]
Review note	Draft template only. This document is not legal advice, is not a statutory filing, and should be reviewed by an India-qualified advocate/company secretary/tax advisor before signature, issuance, board approval, or filing.

21. Employee Offer Letter

Category	Employee Documents
Purpose	Issue a pre-joining employment offer.
Status	Draft template - legal review required before use

Offer

Dear [candidate], we are pleased to offer you the position of [title] at [company], reporting to [manager], with proposed start date [date] and work location [location/remote].

Compensation: fixed salary INR [insert] per annum, variable/bonus [insert], benefits [insert], equity eligibility [if any, subject to ESOP approvals].

This offer is conditional on background verification, identity/right-to-work checks, execution of appointment letter, IP assignment, confidentiality agreement, and company policies.

Acceptance

Please sign and return by [date]. This offer does not create employment until joining formalities are completed and the appointment letter is executed.

Execution Block

Approved by	[Board / shareholders / authorized signatory / employee / counterparty]
Signature	[name, designation, date, place]
Record owner	[Founder / HR / Company Secretary / Legal / Finance]
Review note	Draft template only. This document is not legal advice, is not a statutory filing, and should be reviewed by an India-qualified advocate/company secretary/tax advisor before signature, issuance, board approval, or filing.

22. Appointment Letter / Employment Agreement

Category	Employee Documents
Purpose	Set core employment terms after acceptance.
Status	Draft template - legal review required before use

Terms

Employee: [name]. Position: [title]. Start date: [date]. Probation: [period]. Work location: [insert]. Reporting manager: [insert]. Hours and leave: as per company policy and applicable law.

Duties: perform assigned responsibilities, comply with policies, protect company property and confidential information, assign IP, avoid conflicts, and follow security procedures.

Termination: notice period [insert], immediate termination for cause, return of property, final settlement, confidentiality survival, and post-employment restrictions where enforceable.

Policies

Employee acknowledges receipt of handbook, IT/security policy, anti-harassment policy, privacy notice, expense policy, and IP/confidentiality obligations.

Execution Block

Approved by	[Board / shareholders / authorized signatory / employee / counterparty]
Signature	[name, designation, date, place]
Record owner	[Founder / HR / Company Secretary / Legal / Finance]
Review note	Draft template only. This document is not legal advice, is not a statutory filing, and should be reviewed by an India-qualified advocate/company secretary/tax advisor before signature, issuance, board approval, or filing.

23. Employee Invention and IP Assignment Agreement

Category	Employee Documents
Purpose	Assign employee-created work product and inventions to the company.
Status	Draft template - legal review required before use

Assignment

Employee assigns to [company] all work product, inventions, designs, code, schematics, documents, data, models, processes, trade secrets, and improvements created within employment scope or using company resources.

Employee will promptly disclose inventions and assist with registrations, patent filings, prosecution, enforcement, and execution of further documents.

Excluded prior inventions must be listed in Schedule A before employment begins.

Open Source and Third-Party Materials

Employee may not introduce third-party code, datasets, designs, or open-source components into company work without approval and license review.

Execution Block

Approved by	[Board / shareholders / authorized signatory / employee / counterparty]
Signature	[name, designation, date, place]
Record owner	[Founder / HR / Company Secretary / Legal / Finance]
Review note	Draft template only. This document is not legal advice, is not a statutory filing, and should be reviewed by an India-qualified advocate/company secretary/tax advisor before signature, issuance, board approval, or filing.

24. Employee Confidentiality and Data Security Agreement

Category	Employee Documents
Purpose	Protect technical, commercial, and personal data handled by employees.
Status	Draft template - legal review required before use

Obligations

Employee will protect confidential information, use company systems securely, follow access controls, report incidents promptly, and not remove or disclose data except for authorized company purposes.

Special categories: medical prototypes, biosignal data, radar data, embedded system designs, vendor terms, customer data, investor materials, source code, chip architecture documents, and security credentials.

Return

On request or termination, employee will return devices, documents, credentials, notes, source material, and copies, and certify deletion from personal devices where required.

Execution Block

Approved by	[Board / shareholders / authorized signatory / employee / counterparty]
Signature	[name, designation, date, place]
Record owner	[Founder / HR / Company Secretary / Legal / Finance]
Review note	Draft template only. This document is not legal advice, is not a statutory filing, and should be reviewed by an India-qualified advocate/company secretary/tax advisor before signature, issuance, board approval, or filing.

25. Employee Handbook Core Policies

Category	Employee Documents
Purpose	Provide a starter handbook with basic policies.
Status	Draft template - legal review required before use

Policies

Code of conduct: integrity, lawful conduct, respectful workplace, confidentiality, accurate records, anti-bribery, no unauthorized public statements, and conflict disclosure.

Workplace: attendance, remote work, leave, reimbursement, travel, device use, information security, acceptable use, open-source review, procurement, and expense approvals.

People: equal opportunity, anti-harassment, grievance reporting, performance reviews, disciplinary process, and separation process.

Acknowledgement

Employee acknowledges that policies may be amended and that local law, employment contract, and mandatory statutory rights prevail over handbook language.

Execution Block

Approved by	[Board / shareholders / authorized signatory / employee / counterparty]
Signature	[name, designation, date, place]
Record owner	[Founder / HR / Company Secretary / Legal / Finance]
Review note	Draft template only. This document is not legal advice, is not a statutory filing, and should be reviewed by an India-qualified advocate/company secretary/tax advisor before signature, issuance, board approval, or filing.

26. Anti-Harassment, POSH, and Grievance Policy

Category	Employee Documents
Purpose	Create a baseline workplace conduct and complaint framework.
Status	Draft template - legal review required before use

Policy

The company prohibits sexual harassment, discrimination, retaliation, bullying, intimidation, and abusive conduct in the workplace, online channels, events, travel, and remote work.

Complaints may be made to [email/person]. The company will treat complaints sensitively, prohibit retaliation, conduct a fair inquiry, and take appropriate action.

If statutory POSH committee requirements apply, the company will constitute and maintain the Internal Committee, notices, training, and records as required.

Acknowledgement

All employees, consultants, interns, founders, directors, and visitors must comply with this policy.

Execution Block

Approved by	[Board / shareholders / authorized signatory / employee / counterparty]
Signature	[name, designation, date, place]
Record owner	[Founder / HR / Company Secretary / Legal / Finance]
Review note	Draft template only. This document is not legal advice, is not a statutory filing, and should be reviewed by an India-qualified advocate/company secretary/tax advisor before signature, issuance, board approval, or filing.

27. Consultant / Advisor Agreement

Category	Operations Documents
Purpose	Engage contractors, advisors, and technical consultants cleanly.
Status	Draft template - legal review required before use

Terms

Consultant: [name]. Services: [scope]. Term: [dates]. Fees: INR [amount]/[milestone]. Expenses: [approval process]. Relationship: independent contractor, not employee.

Deliverables and work product are assigned to the company upon creation/payment as specified. Consultant must maintain confidentiality, avoid conflicts, and comply with company security rules.

Consultant will not bind the company, hire staff, incur expenses, or make public statements without written authorization.

Termination

Either party may terminate with [notice]. Company may terminate immediately for breach, misconduct, confidentiality/IP breach, or security risk.

Execution Block

Approved by	[Board / shareholders / authorized signatory / employee / counterparty]
Signature	[name, designation, date, place]
Record owner	[Founder / HR / Company Secretary / Legal / Finance]
Review note	Draft template only. This document is not legal advice, is not a statutory filing, and should be reviewed by an India-qualified advocate/company secretary/tax advisor before signature, issuance, board approval, or filing.

28. Vendor / Services Agreement

Category	Operations Documents
Purpose	Create a basic procurement and vendor services template.
Status	Draft template - legal review required before use

Terms

Vendor will provide [services/products] under [SOW/PO]. Fees, taxes, payment terms, milestones, acceptance criteria, warranties, support, and service levels are set out in Schedule A.

Vendor must protect confidential information, comply with security requirements, process personal data only on instructions if applicable, and maintain required licenses.

IP ownership: company-owned deliverables belong to company; vendor background IP remains vendor property but company receives necessary license.

Risk

Include indemnity, limitation of liability, insurance, audit rights, termination rights, and transition assistance based on deal risk.

Execution Block

Approved by	[Board / shareholders / authorized signatory / employee / counterparty]
Signature	[name, designation, date, place]
Record owner	[Founder / HR / Company Secretary / Legal / Finance]
Review note	Draft template only. This document is not legal advice, is not a statutory filing, and should be reviewed by an India-qualified advocate/company secretary/tax advisor before signature, issuance, board approval, or filing.

29. Website Terms of Use

Category	Public / Website Documents
Purpose	Set public website terms for visitors.
Status	Draft template - legal review required before use

Terms

The website provides general information about Esthien Labs. No product, medical, automotive safety, investment, employment, or technical advice is provided through the website.

Visitors may not misuse the site, probe security, copy brand assets without permission, scrape content excessively, submit unlawful material, or imply endorsement.

All content, brand assets, logos, text, diagrams, and visual systems are owned by or licensed to the company.

Disclaimers

The site is provided as-is. Company may change content, restrict access, or update terms. Governing law and jurisdiction: [insert].

Record owner	[Founder / HR / Company Secretary / Legal / Finance]
Review note	Draft template only. This document is not legal advice, is not a statutory filing, and should be reviewed by an India-qualified advocate/company secretary/tax advisor before signature, issuance, board approval, or filing.

30. Privacy Policy and Data Processing Notice

Category	Public / Website Documents
Purpose	Create a starter privacy notice for website and business inquiries.
Status	Draft template - legal review required before use

Notice

Data collected: name, email, organization, inquiry content, social profile interactions, website analytics, security logs, and any information voluntarily provided.

Purposes: respond to inquiries, manage partnerships, investor conversations, recruitment, security, legal compliance, analytics, and business operations.

Rights and requests: contact [privacy@esthien.com/contact@esthien.com]. The company will respond as required by applicable law.

Controls

Maintain data inventory, access controls, retention schedule, breach response process, vendor processing terms, and privacy policy review cadence.
